## Music Curriculum Overview

### Our Vision

...that every child will leave our school **confident** in their own abilities and excited about the future, with the strategies and skills to tackle tasks and situations in a **capable** manner and **caring** about their planet and their fellow humans.

## Introduction

### Introduction

As a school we use 'The Charanga' music scheme to deliver the key objectives from the National Curriculum. It provides teachers with week-by-week lesson support for each year group in the school. The scheme provides lesson plans, assessment, clear progression, and engaging and exciting whiteboard resources to support every lesson.

In line with the curriculum for music and guidance from Ofsted, this Scheme moves away from the previous levels and learning objective/outcome concepts to an integrated, practical, exploratory and child-led approach to musical learning.

Ofsted have stated that "We will not always know the learning outcomes" so segregated learning objectives at the start of each lesson are not appropriate. Instead the interrelated dimensions of music weave through the units to encourage the development of musical skills as the learning progresses through listening and appraising, differing musical activities (including creating and exploring) and performing.

## How the Scheme is structured

Each Unit of Work comprises of the following strands of musical learning which correspond directly with the national curriculum for music:

1. Listening and Appraising
2. Musical Activities
  - Warm-up Games
  - Optional Flexible Games

- Singing
- Playing instruments
- Improvisation
- Composition

### 3. Performing

Charanga can be accessed via an online platform which all teaching staff have access to. The activity manual can be accessed via the online learning platform. This manual provides teachers with knowledge, understanding and support when preparing and delivering music lessons.

## Assessment

The scheme includes a 'Musical School Assessment Framework' which is available on the online platform. Charanga uses a Plan-Do-Check-Review approach and is supported by planning and assessment documentation, with the facility for you to upload and store digital evidence. Visit 'Assessment' in the 'My Workspace' tab to use the full Musical School Assessment Framework (*you can refer to the assessment documentation on the right hand side of the Scheme home page*).
