

Yes – before we learnt about it, I would only do the easy questions and I discovered that with GM I could challenge myself harder -Yeshua

It really helps me complete work independently—Sophia

It helps you to get further in life - Christos

Yes because if we don't have a growth mindset – then we wouldn't try again

Has Growth Mindset changed the way you think about your work? How?

Yes – it helps with your work because when you have a GM it makes you more confident - Dargeo.

Yes I've developed resilience - Ibrahim

Try my best before asking for help - Christos

I ask a friend, if I can't do it independently and use their little bit of help to try and work things out by myself

What do you do now if you are stuck with your work?

In Maths I draw diagrams as I know this will help me - Sophia

I try and re read things myself to work something out—Ibrahim

Do you think having a Growth Mindset will help you to get better at things?

Year 4

If you don't have a growth mindset – you wouldn't try to be independent and use your own knowledge and just give up – so it is so important—Yeshua

It helps us to learn in different ways - Sophia

What else do you think Growth Mindset will help you with during your life?

If you set up a business you need a growth mindset to make the business successful and help your staff learn in the same way—Yeshua
